The Contract is divided, for purposes of bidding, into thirty (30) bid Items. Bidders must bid on all thirty (30) bid Items or the bid will be considered non-responsive. The District intends to award one (1) Contract to one (1) Bidder for all the work specified herein.

The estimated cost of the work under this Contract is not to exceed \$1,423,000.00.

Funding of all Contract items is subject to the Board of Commissioners' approval of the District's budget for all years under this Contract.

There is no bid deposit for this Contract. A Contractor's bond will be required. Please refer to the CONTRACTOR'S BOND section in the Agreement for additional information about this requirement.

The District intends to obtain as much work as possible without exceeding the above-stated value. However, Bidders are cautioned that, due to unforeseen operating conditions, the full amount may not be expended.

Specifications, proposal forms and/or plans may be obtained from the Department of Procurement and Materials Management by downloading online from the District's website at www.mwrd.org (Doing Business → Procurement & Materials Management → Contract Announcements). No fee is required for the Contract Documents. Any questions regarding the downloading of the Contract Document should be directed to the following email: contractdesk@mwrd.org or call 312-751-6643.

The District assumes no liability or responsibility for the failure or inability of any Bidder to successfully download any and all Contract documents, including but not limited to specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District Contract documents by the Bidder, whether caused by the District or other parties, directly or indirectly.

If any potential Bidder contemplating to submit a proposal is in doubt as to the true meaning of any part of the specifications or other Contract documents, such inquiry should be submitted online at the District's website, www.mwrd.org. The path is as follows: Doing Business → Procurement and Materials Management → Contract Announcements → (Find correct project) → Ask a Question. The District will provide an online response to such inquiries, as the District deems appropriate. Strings of appropriate questions and answers regarding the bidding documents will be available online on the District's website until the bid opening date of the bidding documents. No questions will be accepted by telephone, fax, email, mail, or any other such form of delivery.

The District will only respond to questions received online up to ONE (1) WEEK prior to the bid opening date of the bidding documents. The District will not respond to questions received after this date. The District does not guarantee the timeliness of responses provided online, nor does the District guarantee that such responses will be provided in adequate time to affect the submission of bids. The District shall provide responses online ONLY if the responses do not interpret or otherwise change the bidding documents.

The District's responses online are NOT official responses and, therefore, are not binding to the bidding documents. Any official interpretation or change to the bidding documents will be made only by addenda duly issued to all plan holders on record by the Director of Procurement and Materials Management.

Bidding documents are only available online, and all addenda issued for this Contract will be available online at the District's website, www.mwrd.org. The path is as follows: Doing Business → Procurement and Materials Management → Contract Announcements. A copy of such addenda will also be emailed/faxed to each person which downloads a set of such Contract documents.

Bidders shall acknowledge receipt of each addendum issued in the space provided on the proposal signature page or submit a signed copy of each addendum with the Bidder's proposal at the time and date set to receive bids.

Failure on the part of the prospective Bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of proposal.

Each Bidder must submit with their proposals a signed and completed **MBE/WBE Utilization Plan** which lists each business intended to be used as an MBE and/or WBE on pages UP-2 and UP-3 and supplemental pages as necessary. **The Bidder must sign the Signature Section page on UP-4.** Failure to submit a signed MBE/WBE Utilization Plan will result in a bid being deemed non-responsive and the bid will be rejected. Also, if a Waiver is sought, the Bidder is required to sign pages UP-4 and UP-5, which are the Signature Section and the Waiver Request Form; failure to do so will be viewed as non-responsive and the bid will be rejected.

Each Bidder must submit **with their bid package** an original or facsimile copy of the **MBE/WBE Subcontractor's Letter of Intent, page UP-6** for each subcontractor listed on their MBE/WBE Utilization Plan. If the Bidder lists itself on the MBE/WBE Utilization Plan, an MBE/WBE Subcontractor's Letter of Intent from the Bidder to itself must be included. The submitted MBE/WBE Subcontractor's Letter of Intent must be completed and signed by the subcontractor and accompanied with a copy of the subcontractor's current Letter of Certification from a state, local government or agency or documentation demonstrating that the subcontractor is a MBE or WBE within the meaning of the **Affirmative Action Ordinance, Revised Appendix D**. Failure to submit the MBE/WBE Utilization Plan signed by the Bidder at the time of the bid opening and the MBE/WBE Subcontractor's Letter of Intent signed by each MBE and WBE will be viewed as non-responsive and the bid will be rejected.

If the Bidder exceeds the allowable **Supplier Utilization** amount which is stated in the bid documents, the bid will be viewed as non-responsive. Therefore, the Bidder may not exceed the use of an MBE or WBE supplier for more than 50% of each respective MBE or WBE, goal, unless the Administrator has authorized a Supplier's Exception notated on page AU-1.

Each Bidder must submit with their proposals a completed VBE Commitment Form which lists each business intended to be used as a VBE. The Bidder must make a "Good Faith Effort" to identify eligible Veteran Owned-Businesses by completing the VBE Commitment Form. If the Bidder is unable to identify qualified VBE subcontractors capable of providing goods or services required by the contract, the Bidder must write "no participation" on the VBE Commitment Form. Where a Bidder has failed to-meet the VBE participation goal, the Administrator shall require the Contractor to submit a Veteran's Business Enterprise Good Faith Efforts Documentation Request Form and provide additional documentation of its good faith efforts in attempting to fulfill the VBE goal.

VBE goals are separate from Minority-owned Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) goals. An Eligible Veteran who is also an MBE or WBE may be dual-utilized to fulfill both goals. However, the three-percent (3%) VBE goal must be accomplished in addition to the M/WBE goals set forth in this Contract.

The MBE/WBE Utilization Plan MUST be signed by the Bidder, even if the Bidder requests a waiver and/or offers itself to meet any of the Affirmative Action Ordinance Revised Appendix D goals. If the Bidder offers itself to satisfy any of the Affirmative Action Ordinance Revised Appendix D goals, then its name shall be shown in the appropriate space(s) on the MBE/WBE Utilization Plan.

Where a Bidder is a business owned and controlled by a minority woman (M/WBE), or where the Bidder utilizes an M/WBE in a joint venture or as a subcontractor, the Bidder may count the M/WBE participation toward the achievement of either its MBE or WBE goal, but not both.

Each Bidder's Utilization Plan must commit to MBE and/or WBE participation equal to or greater than the associated goals unless the Bidder indicates a partial or total waiver request on Page UP-5. If a waiver from Appendix D requirements is sought, the Bidder will be required to provide documentation of "Good Faith Efforts" to meet the Appendix D utilization goals, as defined in Section 15(e) of the Affirmative Action Ordinance Revised Appendix D. Subsequent to the bid opening, and if it is determined by the Diversity Administrator that a Contractor's Information Form is required from the apparent low Bidder, the Bidder must complete and submit the form within (3) calendar days of receiving the written request.

The work under this Contract is classified as "Hauling Services" for the Minority-owned Business Enterprises (MBE), Women-owned Business Enterprises (WBE), and Veteran-owned Business Enterprises (VBE) Utilization goals contained in the Affirmative Action Ordinance Revised Appendix D. **The associated utilization goals for this Contract are 20% MBE, 13% WBE and 3%VBE. Should you have any questions, please contact the Diversity Office at 312-751-4034.**

It is required that the prospective Bidder sign the Utilization Plan contained within the Contract Document.

The Contractor agrees to use the District's online compliance monitoring system administered by the Diversity Section for payment and reporting purposes, in order to fulfill the Affirmative Action Program requirements.

The Bidder or Bidders to whom the Contract(s) is (are) awarded must be prepared to comply with the requirements, goals, terms, and conditions of the Affirmative Action Ordinance Revised Appendix D, and Appendix V, throughout the life of the Contract. Please contact the Diversity Office at 312-751-4034 should you have any questions.
