Tenders are invited to provide all labor, materials, tools, supplies, supervision, scaffolding, transportation, equipment, and all appurtenances required to provide services for cleaning, preparation, and painting to remove and replace the existing protective coatings on the overhead air main at the Calumet Water Reclamation Plant.

The Contract is divided, for purposes of bidding, into two Items. **Bidders must submit bids for both items or the bid will be rejected as non-responsive.** The District intends to issue one Contract to one bidder for all the work to be performed.

The estimated cost of this Contract is \$420,000.00. Further, the District assumes no liability or responsibility for the failure or inability of any Bidder to successfully download any and all contract documents, including but not limited to specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District contract documents by the Bidder, whether caused by the District or other parties, directly or indirectly.

If any potential Bidder contemplating to submit a proposal is in doubt as to the true meaning of any part of the specifications or other contract documents, such inquiry should be submitted online at the District's website, www.mwrd.org. The path is as follows: Doing Business → Procurement and Materials Management → Contract Announcements. The District will provide an online response to such inquiries, as the District deems appropriate. Strings of appropriate questions and answers regarding the bidding documents will be available online on the District's website until the bid opening date of the bidding documents. No questions will be accepted by telephone, fax, email, mail, or any other such form of delivery.

The District will only respond to questions received online up to ONE WEEK prior to the bid opening date of the bidding documents. The District will not respond to questions received after this date. The District does not guarantee the timeliness of responses provided online, nor does the District guarantee that such responses will be provided in adequate time to affect the submission of bids. The District shall provide responses online ONLY if the responses do not interpret or otherwise change the bidding documents.

The District's responses online are NOT official responses and, therefore, are not binding to the bidding documents. Any official interpretation or change to the bidding documents will be made only by addenda duly issued to all plan holders on record by the Director of Procurement and Materials Management.

Bidding documents are only available online, and all addenda issued for this contract will be available online at the District's website, www.mwrd.org. The path is as follows: Doing Business → Procurement and Materials Management → Contract Announcements. A copy of such addenda will also be emailed/faxed to each person which downloads a set of such contract documents.

Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of proposal.

Prior to award of the contract, the lowest responsible bidder must demonstrate compliance with the District's Multi-Project Labor Agreement by submitting to the Director of Procurement and Materials Management a signed Certificate of Compliance with the

Multi-Project Labor Agreement. The Agreement and Certificate of Compliance are contained in the Contract Documents.

Bidders on contracts in excess of Ten Thousand Dollars (\$10,000.00) will be required to comply with the President's Executive Order No. 11246 as amended to date, regarding NON-DISCRIMINATION IN EMPLOYMENT. The requirements for Bidders and Contractors under this order are explained in Appendix C of the Contract Documents. The provisions of Appendix C also apply to each Subcontractor on the contract in excess of Ten Thousand Dollars (\$10,000.00).

Each Bidder must submit with their proposals a signed and completed **MBE, WBE, SBE Utilization Plan** which lists each business intended to be used as a MBE, WBE, or SBE on pages UP-2, UP-3 and UP-4 and supplemental pages as necessary. The Bidder must sign the Signature Section page on UP-5. Failure to submit a signed MBE, WBE, SBE Utilization Plan will result in a bid being deemed non-responsive and the bid will be rejected. Also, if a Waiver is sought, the Bidder is required to sign pages UP-5 and UP-6, the Waiver Request Form; failure to do so will be viewed as non-responsive and the bid will be rejected.

Each Bidder must submit with their bid package an original or facsimile copy of the **MBE, WBE, SBE Subcontractor's Letter of Intent, page UP-7** for each subcontractor listed on their MBE, WBE, SBE Utilization Plan. The submitted MBE, WBE, SBE Subcontractor's Letter of Intent must be completed and signed by the subcontractor and accompanied with a copy of the subcontractor's current Letter of Certification from a state, local government or agency or documentation demonstrating that the subcontractor is a MBE, WBE, or SBE within the meaning of the **Affirmative Action Ordinance, Revised Appendix D.** Failure to submit the MBE, WBE, SBE Utilization Plan signed by the Bidder at the time of the bid opening and the MBE, WBE, SBE Subcontractor's Letter of Intent signed by each MBE, WBE, SBE will be viewed as non-responsive and the bid will be rejected.

If the Bidder exceeds the allowable *Supplier Utilization* amount which is stated in the bid documents, the bid will be viewed as non-responsive. Therefore, the Bidder may not exceed the use of a MBE, WBE, SBE supplier for more than 25% of each respective MBE, WBE, SBE goal, unless the Administrator has authorized a Supplier's Exception notated on page AU-1.

Each Bidder must submit with their proposals a completed VBE Commitment Form which lists each business intended to be used as a VBE. The bidder must make a "Good Faith Effort" to identify eligible Veteran Owned Businesses by completing the VBE Commitment Form. If the bidder is unable to identify qualified VBE subcontractors capable of providing goods and services required by the contract, the Bidder must write "no participation" on the VBE Commitment Form. Where a Bidder has failed to meet the VBE participation goal, the Administrator shall require the Contractor to submit a Veteran's Business

Enterprise Good Faith Efforts Documentation Request Form and provide additional documentation of its good faith efforts in attempting to fulfill the VBE goal.

The Contractor agrees to use the District's online compliance monitoring system administered by the Diversity Section for payment and reporting purposes, in order to fulfill the Affirmative Action Program requirements.

The MBE, WBE, SBE Utilization Plan MUST be signed by the bidder, even if the bidder requests a waiver and/or offers itself to meet any of the Appendix D goals. If the bidder offers itself to satisfy any of the Appendix D goals, then its name shall be shown in the appropriate space(s) on the MBE, WBE, SBE Utilization Plan.

Where a bidder is a business owned and controlled by a minority woman (M/WBE), or where the bidder utilizes an M/WBE in a joint venture or as a subcontractor, the bidder may count the M/WBE participation toward the achievement of either its MBE or WBE goal, but not both.

If a waiver from Appendix D requirements is sought, the bidder should include with the bid package documentation of good-faith efforts to meet the Appendix D utilization goals. The documentation should be provided with the bid package on the Contractor's Information form; the form is included in the package containing the contract documents. Subsequent to the bid opening, and if it is determined by the Affirmative Action Administrator that a Contractor's Information form is required from the apparent low bidder, the bidder must complete and submit the form within (3) days of receiving the written request.

The work under this contract should be classified as "Construction." The associated Minority Business Enterprise, (MBE), Women Business Enterprise, (WBE), Small Business Enterprise (SBE) and Veteran-Owned Business Enterprise (VBE) individual utilization goals are: 20% MBE, 9% WBE, 10% SBE and 3% VBE.

It is required that the prospective bidder indicates participation by signing each applicable MBE, WBE, SBE Utilization Plan contained with the Contract Document.

The bidder to whom the contract is awarded must be prepared to comply with the requirements of the Affirmative Action Ordinance during the life of the contract.
