Funding of all Contract items is subject to the Board of Commissioners' approval of the District's budget for all years under this Contract.

There is no bid deposit required for this Contract.

The Contract is divided, for purposes of bidding, into fifteen (15) Items. Bidders must submit a bid for all fifteen (15) Items or the bid will be considered nonresponsive. The District intends to issue one purchase order to one bidder for all specified services.

Proposals shall conform to all the terms and conditions of the Bidding Requirements attached hereto. Failure to submit the required documents as specified may render the bid non-responsive and the bid may be rejected.

Further, the District assumes no liability or responsibility for the failure or inability of any Bidder to successfully download any and all Contract documents, including but not limited to specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District Contract documents by the Bidder, whether caused by the District or other parties, directly or indirectly.

Any Proposal which indicates multiple or alternate bids will be deemed non-responsive and will be rejected by the Director of Procurement and Materials Management.

If any potential Bidder contemplating to submit a proposal is in doubt as to the true meaning of any part of the specifications or other Contract documents, such inquiry should be submitted online at the District's website, www.mwrd.org. The path is as follows: Doing Business → Procurement and Materials Management → Contract Announcements. The District will provide an online response to such inquiries, as the District deems appropriate. Strings of appropriate questions and answers regarding the bidding documents will be available online on the District's website until the bid opening date of the bidding documents. No questions will be accepted by telephone, fax, email, mail, or any other such form of delivery.

The District will only respond to questions received online up to ONE WEEK prior to the bid opening date of the bidding documents. The District will not respond to questions received after this date. The District does not guarantee the timeliness of responses provided online, nor does the District guarantee that such

responses will be provided in adequate time to affect the submission of bids. The District shall provide responses online ONLY if the responses do not interpret or otherwise change the bidding documents.

The District's responses online are NOT official responses and, therefore, are not binding to the bidding documents. Any official interpretation or change to the bidding documents will be made only by addenda duly issued to all plan holders on record by the Director of Procurement and Materials Management.

Bidding documents are only available online, and all addenda issued for this Contract will be available online at the District's website, www.mwrd.org. The path is as follows: Doing Business → Procurement and Materials Management → Contract Announcements. A copy of such addenda will also be emailed/faxed to each person which downloads a set of such Contract documents.

Bidder shall acknowledge receipt of each addendum issued in space provided on proposal signature page or submit a signed copy of each addendum with the Bidder's proposal at the time and date set to receive bids.

Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of proposal.

The Resident Engineer for this Contract is Mr. Paul Sobanski. Mr. Sobanski will provide online responses to online inquiries.

Bidders are **STRONGLY URGED** to inspect all areas of the work sites prior to bidding, in order to familiarize themselves with the nature of the work and the method of accomplishing the same.
