Further, the District assumes no liability or responsibility for the failure or inability of any Proposer to successfully download any and all contract documents, including but not limited to specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District contract documents by the Proposer, whether caused by the District or other parties, directly or indirectly.

Proposers are to include with their proposal signed copies of any addenda, or acknowledge receipt of any addenda, if the District issued any addenda to this contract.
