Bidders on Contracts in excess of Ten Thousand Dollars (\$10,000.00) will be required to comply with the President's

Executive Order No. 11246 as amended to date, regarding NON-DISCRIMINATION IN EMPLOYMENT. The requirements for Bidders and Contractors under this order are explained in Appendix C of the Contract Documents. The provisions of Appendix C also apply to each Subcontractor on the Contract in excess of Ten Thousand Dollars (\$10,000.00).

Prior to award of the Contract, the lowest responsible Bidder must demonstrate compliance with the District's 2017 Multi-Project Labor Agreement (Cook County) (MPLA) by submitting to the Director of Procurement and Materials Management a signed Certificate of Compliance with Multi-Project Labor Agreement (Cook County) (MPLA) (Revised October 2019). The Agreement and Certificate of Compliance (Revised October 2019) are contained in the Contract Documents.

The Contractor agrees that in the event of failure to comply with all requirements listed in APPENDIX C, the District may withhold fifty percent (50%) of the current progress payment due the Contractor. The Contractor also agrees that following the withholding of fifty percent (50%) of the current progress payment, no further progress payments will be made until the Contractor is in compliance with the requirements.

Each Bidder must submit with their proposals a signed and completed **MBE/WBE Utilization Plan** which lists each business intended to be used as a MBE and WBE on pages UP-2 and UP-3 and supplemental pages as necessary. **The Bidder must sign the Signature Section page on UP-4.** Failure to submit a signed MBE/WBE Utilization Plan will result in a bid being deemed non-responsive and the bid will be rejected. Also, if a Waiver is sought, the Bidder is required to sign pages UP-4 and UP-5, the Waiver Request Form: failure to do so will be viewed as non-responsive and the bid will be rejected.

Each Bidder must submit **with their bid package** ncan original or facsimile copy of **MBE/WBE Subcontractor's Letter of Intent, page UP-6** for each subcontractor listed on their MBE/WBE Utilization Plan. The submitted MBE/WBE Subcontractor's Letter of Intent must be completed and signed by the subcontractor and accompanied with a copy of the subcontractor's current Letter of Certification from a state, local government or agency or documentation demonstrating that the subcontractor is a MBE or WBE within the meaning of the **Affirmative Action Ordinance, Revised Appendix D**. Failure to submit the MBE/WBE Utilization Plan signed by the Bidder at the time of the bid opening and the MBE/WBE Subcontractor's Letter of Intent signed by each MBE and WBE will be viewed as non-responsive and the bid will be rejected.

If the Bidder exceeds the allowable **Supplier Utilization** amount which is stated in the bid documents, the bid will be viewed as non-responsive. Therefore, the Bidder may not exceed the use of a MBE or WBE supplier for more than 50% of each respective MBE or WBE, goal, unless the Administrator has authorized a Supplier's Exception notated on page AU-1.

**The Contractor must use the District's online compliance monitoring system administered by the Diversity Section for payment and reporting purposes, in order to fulfill the Affirmative Active Program requirements.**

The MBE/WBE Utilization Plan MUST be signed by the Bidder, even if the Bidder requests a waiver and/or offers itself to meet any of the Affirmative Action Ordinance Revised Appendix D goals. If the Bidder offers itself to satisfy any of the Affirmative Action Ordinance Revised Appendix D goals, then its name shall be shown in the appropriate space(s) on the MBE/WBE Utilization Plan.

Where a Bidder is a business owned and controlled by a minority woman\ (M/WBE) or where the Bidder utilizes a M/WBE in a joint venture or as a subcontractor, the Bidder may count the M/WBE participation either toward the achievement of its MBE or WBE goal, but not both.

If a waiver from Revised Appendix D requirements is sought, the Bidder should include with the bid package documentation of good-faith efforts to meet the Revised Appendix D utilization goals. The documentation should be provided with the bid package on the Contractor's information form; the form is included in the package containing the Contract documents. Subsequent to the bid opening, and if it is determined by the Diversity Administrator that a Contractor's Information Form is required from the apparent low Bidder, the Bidder must complete and submit the form within three (3) days of receiving the written request.

The work under this Contract is classified as "Electrical". The associated Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) individual goals for this Contract are 13% Minority Business Enterprises (MBE) and 7% Woman Business Enterprises (WBE). The MBE and WBE utilization goals only apply to the migration and miscellaneous scope of work listed as Items 1 and 3 in the contract. Should you have any questions, please contact the Diversity Office at 312-751-4035.

It is required that the prospective bidder indicates participation by signing each applicable MBE/WBE Utilization Plan contained with the Contract Document.

The requirements of the Special Training Provisions for Apprentices are 750 Minority and 270 female Apprentice hours for the purpose of this Contract.
