The land to be leased is 21.70 acres of District real estate located east of the Egan Water Reclamation Plant in Cook County, Illinois. The property is comprised of a pond and adjacent staging area. The pond is not needed for corporate use and the staging area is unimproved. This lease will be solely for the surface rights of the pond and the staging area. No permanent improvements will be allowed within the staging area without prior District consent. Road access to the property is available through a private roadway which is accessible off Martingale Road and features quick access to the Jane Addams Memorial Tollway (I-290) via Higgins Road to the north and Biesterfeld Road to the south. The District reserves 24/7 access to the private roadway. The successful bidder will be responsible for a proportionate share in the maintenance of this roadway.

The District’s Contractor will be performing construction work in the staging area under Contract 23-416-2S, Kirie-Egan Solids Pipeline Rehabilitation Section No. 1, NSA. The work is currently anticipated to be completed by the end of 2026. The winning bidder of this lease will be responsible for coordinating with the District’s Engineering Department and accommodating the rehabilitation work of a sludge forcemain. The anticipated work for Contract 23-416-2S within the proposed staging area will consist of excavation pits, removal and replacement of piping, pipe lining, rehabilitation of two concrete structures, rehabilitation to an existing road, and restoration work. Contract drawings showing the proposed work area are included within this bid package.

As of the invitation date, the majority of the site is zoned as “P-1, Public Land District” in Unincorporated Cook County, and “A, Agricultural District” in Schaumburg. The tenant will be responsible for securing all necessary permits and approvals, including any required under the District’s Watershed Management Ordinance (“WMO”).

The District’s Board of Commissioners has established the fair market value of the property at \$190,000.00 and the minimum initial annual rental bid at \$19,000.00. A form lease to be used in this transaction is attached. The District reserves the right to make any changes or modifications to the lease as it deems necessary prior to award of any lease.

The lease shall be awarded to the highest responsible bidder in accordance with bid procedures set forth by state law 70 ILCS

2605/8c *et seq.*, and subject to the acceptance and approval of the bid by the Board of Commissioners of the District. The highest bidder will be required to provide financial statements and/or other information to establish its financial responsibility.

The successful bidder, if other than the initial applicant, will pay to the District the cost for obtaining the applicant's two (2) appraisal reports and one (1) ALTA survey, the cost of which will be documented upon execution of the lease. In order for the initial applicant to be reimbursed for its costs in obtaining 2 appraisal reports and the ALTA survey, said initial applicant must submit a qualifying bid in this matter.

The District reserves the right to reject any or all proposals.
