PROPOSALS ARE DUE: FRIDAY, FEBRUARY 16, 2024.

Sealed proposals, endorsed as above, will be submitted to the District via an electronic upload to the Bonfire Portal only. See “Submission Via the Bonfire Portal” for instructions. Proposals will be accepted from the date of the Invitation to Bid, up to 11:00 A.M. (Central Time), on Friday, February 16, 2024, as stated above. Bids will be deemed non-responsive if not submitted using the Bonfire-project specific URL link, provided by the District with the bidding documents.

No bids will be accepted after 11:00 A.M. (Central Time) on the above scheduled due date. Faxed, mailed, emailed or hand delivered proposals will not be accepted. There is no Bid Depository safe for this purpose.

The purpose of this RFP is to select a qualified vendor to provide training to assist employees in identifying various odors throughout the wastewater treatment process by learning different testing and monitoring procedures. This training is a part of the community odor plan between the Monitoring and Research Department and the Stickney local community to address concerns of odors from plant operations. The ability to detect and categorize odors will better assist employees in determining the source of an odor so that it can be remedied. The training will occur in the years 2024, 2025, and 2026. The delivery of the trainings will be in person.

The estimated cost for this RFP is \$36,000.00 for a thirty-six-month period. The estimated costs for 2024, 2025, and 2026 are \$12,000.00 for each budget year. Funding for all contract items is subject to the Board of Commissioners’ approval of the budget for those years.

Proposers are to include with their proposal signed copies of any addenda, or acknowledge receipt of any addenda, if the District issued any addenda to this contract. Failure to do so may be cause for the rejection

of any bid.
