Further, the District assumes no liability or responsibility for the failure or inability of any Proposer to successfully download any and all contract documents, including, but not limited to, specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District contract documents by the Proposer, whether caused by the District or other parties, directly or indirectly.

Proposers are to include with their proposal signed copies of any addenda, or acknowledge receipt of any addenda, if the District issued any addenda to this contract. Failure to do so may be cause for the rejection of any bid. Bidding documents are available only online, and any addenda issued for this contract will be available online at the District’s website, mwrd.org. Addenda will also be emailed/faxed to each person receiving a set of such contract documents and to such other prospective Proposers as shall have requested that they be furnished with a copy of the addenda.

If any potential Proposer contemplating to submit a proposal is in doubt as to the true meaning of any part of the specifications or other contract documents, such inquiry should be submitted online at the District’s website, mwrd.org. If you do not receive a confirmation email, please check your spam and junk email folders. Ensure the MWRD emails are not filtered as spam. The successful bidder, if other than the initial applicant, will pay to the District the cost for obtaining the applicant's two (2) appraisal reports, the cost of which will be documented upon execution of the lease. In order for the initial applicant to be reimbursed for its costs in obtaining 2 appraisal reports, said initial applicant must submit a qualifying bid in this matter. If interested, see the Green Infrastructure Program Information Sheet included with this Bid Package.
