Further, the District assumes no liability or responsibility for the failure or inability of any Proposer to successfully download any and all contract documents, including but not limited to specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District contract documents by the Proposer, whether caused by the District or other parties, directly or indirectly.

Proposers are to include with their proposal signed copies of any addenda, or acknowledge receipt of any addenda, if the District issued any addenda to this contract. The path is as follows: Doing Business→Procurement and Materials Management→Contract Announcements. The District will provide an online response to such inquiries, as the District deems appropriate. Strings of appropriate questions and answers regarding the bidding documents will be available online on the District’s website until the bid opening date of the bidding documents. The District will only respond to questions received online up to ONE WEEK prior to the date set to receive proposals. The District will not respond to questions received after this date. The District does not guarantee the timeliness of responses provided online, nor does the District guarantee that such responses will be provided in adequate time to affect the submission of bids. The District shall provide responses online ONLY if the responses do not interpret or otherwise change the bidding documents.

The District’s responses online are NOT official responses and, therefore, are not binding to the bidding documents. Any official interpretation or change to the bidding documents will be made only by addenda duly issued to all plan holders on record by the Director of Procurement and Materials Management.

The contact person for the request for proposal is Shellie A. Riedle, Administrative Services Officer, in General Administration. This contact person will provide online responses to online inquiries.

The District reserves the right to accept any Request for Proposal or any part thereof or to reject any and all Request for Proposals.
